## The HAPPY GERMAN BAGPIPERS

come from Jade, a small town near the North Sea. They are not only the youngest, but also one of the most extraordinary bagpipe bands in Germany. Their program spans colorful dance and entertaining bagpipe music. The bagpipers play traditional Scottish, Latin, Arabic and even Rock 'n' Roll music, performed alongside an entertaining show. Their "Entertainment Pipe Music" is arranged and composed by themselves and thus have created their own distinctive sound. Whether for family celebrations, church concerts, town festivals, concerts, business events. The **HAPPY GERMAN BAGPIPERS** are a diverse band and have already played concerts in many countries. Very successful the Scotland tour 2013, with concerts in Aberdeen Youth Festival, Edinburgh Fringe Street Festival, Stirling and Braemar, concerts on the ferries during the crossings. New is our middle age music. For this concerts we have middle age clothes from north of Germany. Our name of the band than: **BLIIDE FRÄISKE SÄKPIPER**
